The amount of membership dues will be reviewed and set by the Board of Directors at the first Board meeting after the Annual Meeting. Changes in the amount of membership dues will become effective the following membership year, and may not increase more than 20% in any one year, unless approved by a majority of the members attending a regular or special meeting that is held according to the rules in Article III, Sections 2 and 3.

The current baseline for membership dues is \$17.00 per year for a regular, single membership; \$20.00 per year for a household membership (two regular members); \$25.00 per year for a household with eligible juniors, and \$12.00 per year for junior members applying separately from a household membership. Associate Members dues are \$15.00 per year.

Dues are payable on or before the first day of August each year. Persons elected to membership in the last 60 days of the fiscal year shall have their memberships extended to the end of the following fiscal year.

During the month of May, the Treasurer shall send each member a statement of his/her dues for the ensuing year. Honorary Members shall not pay dues.

On the membership renewal application there will be a section for members to elect to receive club business/notices (meeting minutes/membership renewals/meeting changes) either via Email or via US Postal Service. If a member does not choose one and has provided an email address, it will automatically be via email. A member can elect to change this with a written notice to the club Treasurer.

Section 3: Election to Membership.

Each applicant shall attend one general meeting prior to being considered for membership, and shall then apply on a form as approved by the Board of Directors which shall provide that the applicant agrees to abide by these Constitution and Bylaws and the BCONC Code of Ethics, and the rules of the American Kennel Club Inc.

The application shall state the name, address and email address of the applicant and shall carry the endorsement of two members who are in good standing. The applicant will be given the opportunity to select to receive club business/notices (meeting minutes/membership renewals/meeting changes) via email or US postal service. The default will be email if the applicant does not choose either and has provided an email address.

The Membership Committee will review all applications and all members of said committee shall interview Applicants. The Membership Committee shall present their findings to the Board for review. After Board review, all applications are to be filed with the Secretary, and each application is to be read at the first meeting of **The Club** following its receipt by the Secretary. At the next **Club** meeting, the application will be voted upon by secret, written ballot. A two-thirds majority of the regular members present and voting at that meeting shall be required to elect the applicant to Associate Member status. Applicants shall not be present at this meeting. Applicants for membership who have been rejected by **The Club** may not re-apply within six months after said rejection. Once approved, the applicant shall submit a dues payment for the current year. Note: upgrade of any membership (e.g. to add a junior to a household membership or to change regular member status to household status) will require application for membership for the individual(s) being added to the membership and approval by the club through a vote following these procedures. The dues owed to the Club shall be the difference between the two membership levels.

After one year as an Associate Member, said member may request in writing the Associate status be changed to a Regular Member. The Board shall review this member's attendance and participation records to determine if the requirements set forth in the Membership Committee guidelines have been met and refer the request to the General Membership for election. An affirmative vote of two-thirds of the regular members present and voting at that meeting shall be required to elect the Associate Member to Regular Member status.

Appendix A

AKC Breed Standard for Basenjis

General Appearance

The Basenji is a small, short haired hunting dog from Africa. It is short backed and lightly built, appearing high on the leg compared to its length. The wrinkled head is proudly carried on a well arched neck and the tail is set high and curled. Elegant and graceful, the whole demeanor is one of poise and inquiring alertness. The balanced structure and the smooth musculature enable it to move with ease and agility. The Basenji hunts by both sight and scent.

Characteristics--The Basenji should not bark but is not mute. The wrinkled forehead, tightly curled tail and swift, effortless gait (resembling a racehorse trotting full out) are typical of the breed. *Faults*--Any departure from the following points must be considered a fault, and the seriousness with which the fault is regarded is to be in exact proportion to its degree.

Size, Proportion, Substance

Ideal height for dogs is 17 inches and bitches 16 inches. Dogs 17 inches and bitches 16 inches from front of chest to point of buttocks. Approximate weight for dogs, 24 pounds and bitches, 22 pounds. Lightly built within this height to weight ratio.

Head

The head is proudly carried. *Eyes*--Dark hazel to dark brown, almond shaped, obliquely set and farseeing. Rims dark. *Ears*--Small, erect and slightly hooded, of fine texture and set well forward on top of head. The skull is flat, well chiseled and of medium width, tapering toward the eyes. The foreface tapers from eye to muzzle with a perceptible stop. Muzzle shorter than skull, neither coarse nor snipy, but with rounded cushions. Wrinkles appear upon the forehead when ears are erect and are fine and profuse. Side wrinkles are desirable but should never be exaggerated into dewlap. Wrinkles are most noticeable in puppies, and because of lack of shadowing, less noticeable in blacks, tricolors and brindles. *Nose*--Black greatly desired. *Teeth*--Evenly aligned with a scissors bite.

Neck, Topline, Body

Neck of good length, well crested and slightly full at base of throat. Well set into shoulders. *Topline*--Back level. *Body*--Balanced with a short back, short coupled and ending in a definite waist. Ribs moderately sprung, deep to elbows and oval. Slight forechest in front of point of shoulder. Chest of medium width. *Tail* is set high on topline, bends acutely forward and lies well curled over to either side.

Forequarters

Shoulders moderately laid back. Shoulder blade and upper arm of approximately equal length. Elbows tucked firmly against brisket. Legs straight with clean fine bone, long forearm and well-defined sinews. Pasterns of good length, strong and flexible. *Feet*--Small, oval and compact with thick pads and well arched toes. Dewclaws are usually removed.

Hindquarters

Medium width, strong and muscular, hocks well let down and turned neither in nor out, with long second thighs and moderately bent stifles. *Feet*--Same as in "Forequarters."

Coat and Color

Coat short and fine. Skin very pliant. *Color*--Chestnut red; pure black; tricolor (pure black and chestnut red); or brindle (black stripes on a background of chestnut red); all with white feet, chest and tail tip. White legs, blaze and collar optional. The amount of white should never predominate over primary color. Color and markings should be rich, clear and well-defined, with a distinct line of demarcation between the black and red of tricolors and the stripes of brindles. **Gait**

Swift, tireless trot. Stride is long, smooth, effortless and the topline remains level. Coming and going, the straight column of bones from shoulder joint to foot and from hip joint to pad remains unbroken, converging toward the centerline under the body. The faster the trot, the greater the convergence.

Temperament

An intelligent, independent, but affectionate and alert breed. Can be aloof with strangers.
